To Whom It May Concern:

Please be advised that at the present time, Union County does not require a business license in the unincorporated areas of the County unless it is to be a Hotel/Motel type of business, which has a special tax to pay. Should you be doing business within the City of Blairsville you should check with the City to verify if a business license is or is not required.

If other information is needed, please contact us at 706-439-6000.
