

Called Meeting
October 2, 2018
Minutes
Union County Courthouse

The meeting was called to order by Commissioner Paris at 5:00 pm.

Commissioner Paris stated there was a Public Hearing held on September 20, 2018 at 5:00 pm regarding variances for the placement of a Telecommunications Tower on parcel number 037 004A off of Pat Colwell Road in Union County. The Public Hearing and this Called Meeting were both advertised in the North Georgia News and a sign was placed on Pat Colwell Road near the proposed site of the Telecommunication Tower. Written notice was also given to all property owners within 1,000 feet of the proposed site by Verizon Wireless and by Union County Government. The Union County Ordinance regarding Telecommunication Tower placement states that towers must be further than 1,000 feet from a residence and towers also cannot be placed within 5 miles of each other. There was very minimal opposition from surrounding property owners regarding the proposed location of this tower. Based on the comments heard at the previously held Public Hearing, the Commissioner approved variances for both of these requirements.

There being no further business the meeting was adjourned at 5:15.

Respectfully submitted by:

Jennifer Mahan, County Clerk

Approved this 18th day of October, 2018
