ARRAIGNMENT INFORMATION

The date listed on your citation to appear is an arraignment date, a date to enter a plea to your charge. This is not a trial date.

- Unless you are required to appear, you may pay your ticket any time before court either online, in person, or through the mail.
- If you want to waive arraignment and request a bench trial or jury trial, you may do so at any time before this date in person at the Probate Court office.
- If you require an interpreter, you will need to notify the court ahead of time at the above number.
- For those who received your first hands-free citation and would like to provide proof that you now have a hands-free device, you can do so at the Probate Court office any time before the court date.
- If you would like to request a continuance, contact the court before your court date to discuss the options available.

We will have new guidelines and procedures in order to ensure the safety of both the Court staff and the public.

- Masks are **REQUIRED** to be worn by all defendants.
- We will be limiting the number of people in the courtroom at one time, so your wait time may be longer than normal.
- All persons in the courtroom will be required to maintain the six-foot distance between individuals who do not reside together.
- Please try to avoid bringing small children to court. If this is an issue, please contact the traffic clerk before court.
- You will be filling out paperwork, so you may want to bring your own pen.
- If you have been in contact with anyone having COVID-19, call the court and speak to a traffic clerk.

If you have any other questions please feel free to contact our office, and we will be happy to assist you.
