

Called Meeting
June 17, 2020 4:00pm
Minutes
Union County Courthouse

The meeting was called to order by Commissioner, Lamar Paris at 4:00 p.m.

The Commissioner accepted a Real Estate Purchase Agreement between Union County and BLK, LLC for the purchase of 3.382 acres and a home located in Land Lot 22, 10th District, 1st Section of Union County in the amount of \$750,000. Commissioner Paris stated this property purchase contract was being done at the last minute because sometimes property purchases cannot be planned out. This particular contract needed to be in place so Union County could have the opportunity to purchase the property this Friday. It is possible that this deal could fall through but the Commissioner wanted to have everything in place in the event the deal could be made. Commissioner Paris stated that he would give the full details should everything consummate this week since it is for the future benefit of a long-term project.

There being no further business the meeting was adjourned at 4:10 pm.

Respectfully submitted by:

Jennifer Mahan, County Clerk
