

Called Meeting
April 4, 2023 5:00pm
Minutes
Union County Courthouse

The meeting was called to order by Commissioner Lamar Paris at 5:00 pm.

Attorney William Mercer completed the 2nd Reading of the revisions to Chapter 18, Section 18-105. It was suggested to add all the things the building department does to be heard by the Construction Board of Adjustment and Appeals. This board will now hear variances for Chapter 18, 44, 46, 62 and 78. In the existing ordinance the board would be comprised of seven members and two alternates. That is being reduced to five board members and two alternates. Cell phone tower variances were added to being heard by this board. It was also added that the secretary of the board would be an employee from the Building Inspection and Development Office of Union County.

There being no further business the meeting was adjourned at 5:06 pm.

Respectfully submitted by:

Jennifer Mahan, County Clerk
