3. Meeting Minutes:

New Business:

- We have 21,308 active voters. We have 1,603 inactive voters. Total voters, 22,911.
- The State is currently updating the voter rolls. They are doing massive mail-outs to voters. They are going through old records as well. The Secretary of State is very proactive to ensure the voters rolls are cleaned up for the November Election.
- The Registrars Office motioned and passed the following due to an influx of informal requests that this office has accommodated these last few weeks. This office will now only accept official challenges and/or only give statutorily required disclosures to the public. While some informal communications have been cordial, others have taken advantage of this offices time and transparency while also being rude to the office and demanding more than legally allowed. This office needs it sole attention to making sure the voters of this County are properly registered and ready for this election year. From now forward only communications that legally require disclosures will be given out.

4. Adjournment:

The meeting was adjourned at 4:10 PM, by: Lucretia Collins
